BRIEF HISTORY

CORE-PACE LIMITED is a Nigerian registered limited liability company with the Nigerian Corporate Affairs Commission (registration number 8199070) and is also registered with the Nigerian Upstream Petroleum Regulatory Commission (NUPRC). The company is operated and managed by dedicated professionals from various industries. Our mission is to develop a technically skilled team to address the intricate challenges in the oil and gas sector, providing comprehensive solutions.

Although we are relatively new in the industry, we have successfully met our objectives, as reflected in the diverse projects we have completed, including those as subcontractors.

We have been involved in various industrial cleaning, mechanical services, and maintenance projects across multiple locations. These projects have provided us with valuable experience and have allowed us to effectively manage community relations, even when faced with challenging attitudes. Through strategic planning and effective communication, we have been able to execute our projects smoothly and without any issues.

THE COMPANY

At CORE-PACE LIMITED, our unwavering commitment to technology, quality, and reliability has established us as the project partner of choice in our targeted markets.

Our team comprises highly qualified and experienced engineers and technicians who adeptly manage the engineering, fabrication, installation, configuration, and commissioning of both new and existing production facilities.

Before initiating our services, we conduct thorough site inspections to determine the necessary equipment and the service time frame, ensuring clear and transparent communication with our customers. We pride ourselves on the swift delivery of comprehensive site reports and certifications, followed by detailed post-service reports.

We take pride in our consistent and successful collaborations with major oil companies, including SPDC and NAOC, yielding excellent results. This success is driven by our effective project management, dedicated HSE (Health, Safety, and Environment), QA/QC (Quality Assurance/Quality Control), specialized discipline engineers, and robust overall project management leadership. Adhering to the principle that "good contract HSE performance will protect jobs while quality delivery will bring in jobs," we continue to excel in our endeavors".

WHY CORE-PACE LIMITED?

When you choose CORE-PACE LIMITED as your contractor, you can expect your project to be delivered:

- SAFELY
- ON SCHEDULE
- ON BUDGET

HERE'S WHY CORE-PACE LIMITED SHOULD BE YOUR PREFERRED PARTNER:

- **Customer-Focused:** CORE-PACE LIMITED is dedicated to customer satisfaction, equipped with complete infrastructures to manage multi-disciplinary projects, mechanical, structural, electrical, and instrumentation. providing a one-stop solution for all your project needs.
- **Extensive Experience:** We have a proven track record in managing both onshore and offshore oil & gas projects, supported by a vast reservoir of experienced and committed human resources, comprising both expatriates and nationals.
- **Community Management Expertise:** With extensive experience in community management, we have mastered all oil & gas fields in the Niger Delta region. We understand the environment, and the environment understands us.

CORE-PACE LIMITED IS COMMITTED TO:

- Rapid response to your project goals
- Safety and total quality
- Providing cost-effective solutions to clients' tasks
- Helping clients maintain project budgets
- Enhancing project schedules, always staying ahead of time.

OUR VISION STATEMENT

As a global leader in the oil & gas industry, we are dedicated to driving sustainable growth through a steadfast commitment to excellence. We prioritize quality, safety, and proficiency in every project, ensuring timely and efficient service delivery to our clients. By fostering innovation and adhering to the principles of local content, we aim to be at the forefront of industry advancements and set new benchmarks in our field. Our goal is to continuously enhance our capabilities, empower our workforce, and contribute to the development of the communities we serve, paving the way for a prosperous future.

- Adhere to the highest standards of ethics and integrity.
- Be highly responsive and strive to exceed the expectations of the companies we collaborate with through outstanding performance.
- Champion maximum safety standards and promote environmentally friendly practices through workshops, training, and seminars.
- Emphasize continuous improvement as a core operational principle, with ongoing training and development of our staff.
- Foster a work environment supported by leadership that promotes openness, trust, communication, teamwork, empowerment, innovation, and satisfaction.
- Work closely and harmoniously with the companies we partner with in all areas of our operations to achieve our objectives and maintain high standards in our working environment.

OUR MISSION STATEMENT

At CORE-PACE LIMITED, we are dedicated to providing high-quality services that meet the unique needs of our clients. With a team of motivated, creative, and well-trained engineers and technicians, we aim to excel in our core operations, consistently satisfying and exceeding our clients' expectations.

We focus on building strong relationships with our clients by delivering innovative and effective solutions with integrity, reliability, and professionalism. Our commitment to safety, quality, and continuous improvement ensures that every project is executed to the highest standards.

We strive to be a trusted partner for our clients, anticipating future challenges and opportunities while contributing positively to the communities we serve. Our vision is to lead the construction industry with our dedication to quality, safety, and client satisfaction.

QUALITY ASSURANCE

QUALITY CONTROL POLICY STATEMENT

At CORE-PACE LIMITED, our dedication to quality is paramount. We strive to consistently meet and exceed our clients' expectations through rigorous Quality Assurance (QA) and Quality Control (QC) practices.
